## Coffee Humor

If the local coffee shop has awarded you Employee of the Month and you don't even work there, you may be drinking too much coffee.

A man walked up to a vending machine, put in a coin, and pressed the button labeled, "coffee,

double cream, sugar." No cup appeared. Then two nozzles went into action, one sending forth coffee, the other cream. After the proper amounts had gone down the drain where the cup should have been, the machine turned off. "Now that's real automation," the man exclaimed. "This thing even drinks it for you!"

**Customer:** Waiter, is this supposed to be coffee or tea?

**Waiter:** What does it taste like?

**Customer:** It tastes like gasoline!

**Waiter:** Well sir that would be the coffee. The tea tastes like turpentine.
